GENERAL: When cleaning you need to scrub to remove buildup. Clean windows and doors as required. Clean marks and smudges off walls and doors, clean and sanitise all drains in area and record on Housekeeping log. Remove all rubbish from drains, roll up hoses, put tools away. Report any damaged building or plant items to NPL. Collect any loose plant items and refit if possible, label (where it was found) and inform control room.

NOTE: Some areas will require cleaning on a more regular basis, this schedule is written as a minimum guideline in the Housekeeping log. This is primarily the responsibility of the Wetmix Operator.
